

ENDORSEMENT

The UNESCO National Commission of the Philippines commends Miriam College for organizing the ***International Conference on Learning and Teaching (ICLT)*** to be held from 04 to 05 October 2013 at the College in Loyola Heights, Quezon City.

The conference will gather educators, teachers, and students to examine the contexts, features, and outcomes of innovative education policies, programmes, and practices in such areas as media and technology; integrative learning and teaching; basic and higher education collaboration; transformative school leadership; and science, technology, engineering, and mathematics (STEM).

The conference dovetails with UNESCO's major programmes on education, the sciences, and communication which are deemed the key drivers in attaining progress, peace, and development for all. The conference too, is being held as part of the celebration of UNESCO-led World Teachers' Day.

We enjoin everyone to participate and congratulate Miriam College once again for spearheading this worthy activity.
